

Why 5S? Its Importance and Genesis

How using 5S can help increase
organization and profitability

Creating a good impression is key to lasting success and loyal customers

- Disorganized and dirty storefronts or public spaces guarantee that customers will do business elsewhere

5S helps a company:

- Stay organized
- Utilize space
- Flow efficiently
- Maintain an attractive appearance

A well-organized workplace is better for everyone

5S maintains an uncluttered and visually organized workspace

Organization allows employees to quickly see where tools are stored

- Reduces search time

Allows employees to see when and what tools are missing
